Hello	a minute ago	1	●
What is your problem?	a few seconds ago	1	●

Items per page: 50 Showing 1-2 of 2 actions 1 1 of 1 pages

What is your problem?

Customer starts with:

Enter phrases that a customer types or says to start the conversation about a specific topic. These phrases determine the task, problem, or question your customer has.

The more phrases you enter, the better your assistant can recognize what the customer wants.

Enter phrases your customer might use to start this action Total: 3

Enter a phrase

Can you fill me with your skills?

Are you a developer or tester?

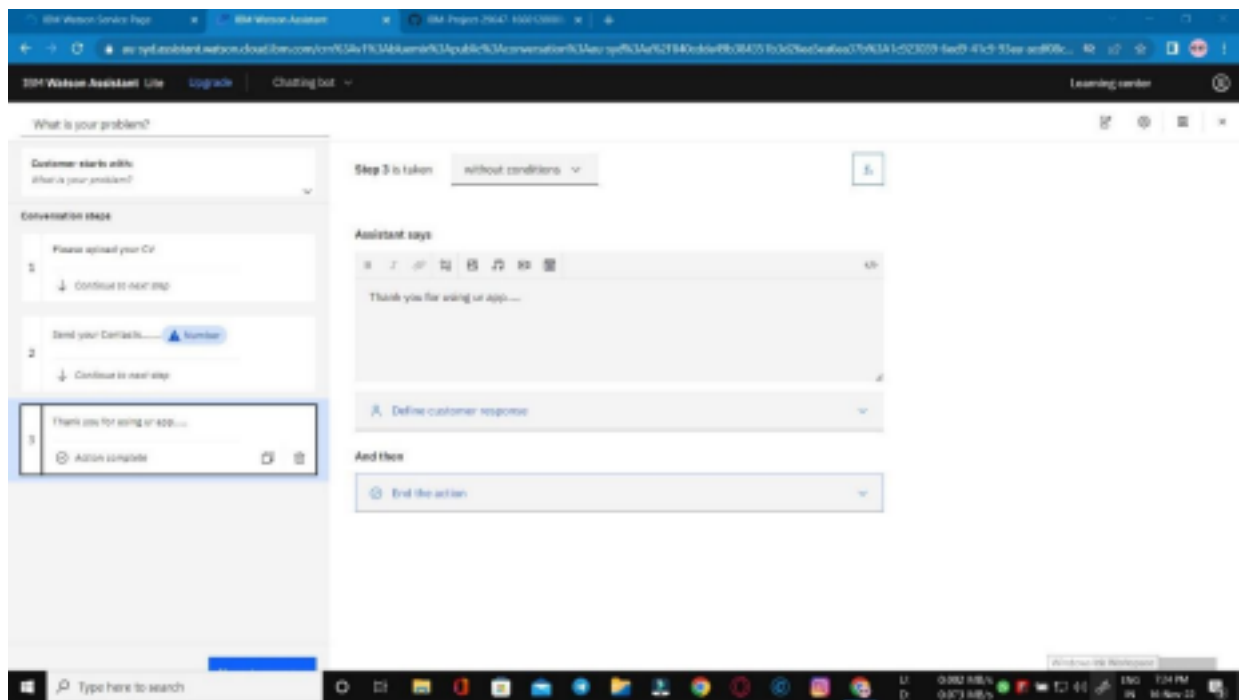

What is your problem?

Conversation steps
